

LOUISVILLE CHAPTER TROUT UNLIMITED
August 26, 2008

The meeting was opened at 7:10 p.m. by President George Smith.

Announcements: President Smith introduced our new member, Jack Miller, who has transferred his membership to our Chapter. Also with us was Jeff Klingeman.

It was great to see Frank Elsen back with us after his recent illness.

Program: Fred Doyle introduced our speaker tonight—our own Barry Morris! Barry had a slide presentation of the trip to Waynesville last spring taking us with him from Louisville to Waynesville and the stops for fishing along the way!

Minutes: Minutes from June's meeting are posted on the Chapter's website.

Treasurer's Report: Larry Lewis reported the Chapter's banking transactions and the bank balance as of this date.

Committees:

Fly Tying: Barry Morris reported Dick Haas will be tying in September.

Programs: Fred Doyle announced that our September speaker will be Ray Zavada and Jack Miller will speak in October on fishing in Mossy Creek, VA.

Outings: Roy Weeks reported a trip to Townsend, TN September 26-28, a tie-in at the bank in September 20 9:30 – 3:30. Plans are in the makings for another steelhead trip.

Banquet: Lee squires made pleas for donations and had handouts and letters and tax deduction sheets for donors. Through 9/16, the tickets are \$30 then they will be \$35. Those who have a donation for the silent action should tell Nancy or Lee before 9/12 to have it printed in the program.

Casting for Recovery: Barry Morris reported flies are still needed for this event. Casting for Recovery will be held September 19 – 21 and volunteers are needed for the 21st. Please see Mike Lubeach if you can help.

Old Business:

Wolf Creek Dam: George Smith reported 5 members went to the casting clinic on 9/23. They had 15 participants.

Otter Creek: There is no change in the stocking schedule.

Yellowstone Trip: Roy Weeks reported the Yellowstone trip was great. They had normal snow. The fishing was delayed a bit due to the water being high and cold, but LOTS of fish were caught. The next Yellowstone trip will be July 21-30, 2009.

Frank Elsen reported he will not be able to make the National Council meeting which is being held in Utah September 18 & 19. Dale White from the Lexington Chapter volunteered to go in Frank's place. If you have any points you would like to be brought up to National, please email Frank. While we are limited here to trout streams, Nationally T.U. does great work.

New Business:

Board members are needed for next year. Please see George Smith if interested.

Larry Lewis asked if any one would be interested in getting a fly-tying group together to meet monthly. Each one could take turns with meeting in their home.

There being no further business, the raffle was held and the meeting adjourned at 8:15.

Respectfully submitted,
Vicki Lewis, Secretary
