

# ZEBRA MIDGE

## Materials:

- **Hook:** Tiemco # 2457 scud hook sz # 16- 22
- **Thread:** 6/0 Black
- **Body:** 6/0 Black thread
- **Bead:** Silver or copper extra small
- **Wire:** Fine silver or copper to match
- **Collar:** Peacock Herl (on Rim Shoals version Only-see last sentence.)

## Directions:

1. Put bead on hook and place in vise.
2. Tie in thread at bead and wind back a little past the bend of the hook.
3. Tie in wire at that point then build a thin tapered body of thread with the thread ending up right behind the bead.
4. Wind the wire up to the bead in wide even spirals.
5. Bind down and whip finish.

If you want the Rim Shoals version make a small collar of peacock herl right behind the bead before you whip finish.
